

LETTER OF UNDERSTANDING #8

Between St. Francis Xavier University (hereafter referred to as the University)

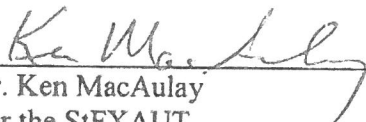

And

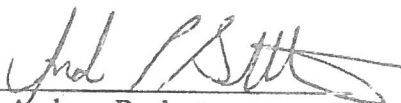

St. Francis Xavier Association of University Teachers (hereafter referred to as the StFXAUT)

Learning Skills Program

The University and the StFXAUT recognize the importance of offering academic support to students. Given the increase in academic programming throughout the year, the parties agree that the appropriate academic support should be available to all students. Given this shared goal, the parties agree that the Learning Skills Committee will examine the viability and usefulness of operating the Learning Skills Instruction Program year-round. A written report on the Committee's findings will be presented to the Academic Vice-President and Provost and to the President of the StFXAUT by October 31, 2017.

Signed at Antigonish, Nova Scotia this 14 day of December, 2016.
